

Cocaine Users Needed for Paid Research Study

Researchers at the University of Kentucky College of Medicine, Department of Behavioral Science, are conducting research to examine the behavioral effects of medications and cocaine.

You may be eligible if you:

- Are between the ages of 18 and 55;
- Use cocaine regularly; and
- Have no major medical problems

Research is conducted on an inpatient and outpatient basis. Eligible volunteers will be paid for their participation. For more information and confidential interview, please call **859-257-5388** or **1-866-232-0038**.
