Prostate Cancer Survivors - We Need Your Help!

Lee Anne Walmsley RN, MSN, at the University of Kentucky, College of Nursing, is conducting a study to better understand how social support, partner relationship, and suppressed emotions impact on the well-being of patients diagnosed with prostate cancer.

You are eligible to participate if you:

• Are a male 18 or older
• Diagnosed with prostate cancer
• Can read and write English
• Are married or have a partner
• Have no other cancer diagnoses

Please participate in our study. You will help us get a better understanding of how we can intervene to help men with prostate cancer improve their overall health. Click here:
