

# Antineutrophil Research Study Opportunity

Researchers at the University of Kentucky invite you to participate in a research study about antineutrophil cytoplasmic autoantibody (ANCA)-associated vasculitis (an autoimmune disease affecting small blood vessels in your body).

## You are eligible to participate if you:

- Are 18 years or older.
- Are ANCA-positive.
- Have newly diagnosed or relapse of GPA (Ganulomatosis with Polyangiitis) or MPA (Microscopic Polyangiitis).

Please contact us after your new diagnosis and before your induction therapy.
