

# Help Us Learn About NICU Experiences of LGBTQ+ Parents

Researchers at the University of Kentucky invite LGBTQ+ parents and healthcare professionals to participate in a research study to help improve experiences in the Neonatal Intensive Care Unit (NICU) for LGBTQ+ families. Participants will join a community advisory board to help researchers to design a study with LGBTQ+ parents of NICU infants.

## You may be eligible to participate if you:

- identify as LGBTQ+ and have had a child in the NICU
- are a health provider in the NICU
